# Sue Jellett

With love: Jessica Lee Smith

Words cannot describe the amount of love, gratitude and respect I have for Sue Jellett and her wonderful guidance team and higher beings of light.

I first met Sue in 2012 when I knew my traumatic experiences in this life and past lives were rising to be healed. My energy field was torn, my heart was shattered and I felt hopelessly alone in my journey. Sue opened her healing space to me and I instantly felt the glowing warmth of the divine mother cradling me in her arms. I was safe!

Gradually Sue and her team rebuilt, restructured and repaired my energy system allowing me to stand stronger in my mental, emotional and physical bodies. Which in turn allowed me to start living the life of deeper fulfilment, joy, happiness and gratitude.

Sue has helped me connect and establish a relationship with my own guidance team which has helped me to heal old patterns and deep ancient wounds. I now feel myself gradually stepping into my divine purpose to help, heal and serve others on their journey.

Sue's love for healing others is so beautiful, pure and gentle and I wish to thank her so very much for holding me with loving arms through my journey.
